Through our blend of expertise, trust, and prioritization of patient safety, we aim to provide outstanding treatment results that will support you in regaining your confidence and sense of masculinity.

# Surgeon Overview

## About Prof. Kadioglu, FECSM

Prof Kadioglu is a world-class implanter with more than 2000 penile implant cases in his 25 years of career. He is one of the most well-known and well-respected surgeons in Europe for the treatment of Peyronie's disease.

Prof. Kadioğlu served as the President of the Turkish Society of Andrology between 2002 and 2009. Currently, he is the Honorary President of the Turkish Society of Andrology. He is the head of the Division of Andrology in the Istanbul Faculty of Medicine.

## Awards

He was deemed worthy of the "Distinguished Career Award" at the congress held in Dubai between 10-14 November 2021 by the World Association of Urology (Société Internationale d'Urologie).

## Memberships

He is a member of the guideline committee for the sexual and reproductive health of the European Assoc. of Urology EAU.

FECSM stands for Fellow of the European Committee of Sexual Medicine. It is a prestigious certification awarded to medical professionals who have undergone specialized training and successfully passed an examination in sexual medicine, which includes conditions like erectile dysfunction, sexual dysfunction, and related disorders in both men and women.

# Only Men's Health

## ➤ Treatments

Dr. Kadioglu has committed to pursuing excellence in the field of Men's Health and currently provides cutting-edge and innovative treatments in Sexual Medicine and Male Genitourinary Dysfunction.

# Our Services

## Transfer - Accommodation - Personal Consultant

Leave it all with us! We arrange your trip and book your accommodation, looking for the options that best suit your budget. This service is completely optional, some of our international patients prefer to organize their trips themselves. In that case, we are always ready to advise and resolve any doubts that may arise.
